### Task B:

I have dreamed of working as a flight attendant since I was a child. I enjoyed learning more and more about the planes and it's staff. Being a flight attendant isn't one of the easy jobs. If you want to go to work in this specialty, you must be absolutely healthy. Also, each job has it's disadvantages. Some people may not tolerate flights well or don't know how to approach each passenger. I'm starting to strive for my dream. I try to learn as many languages as possible, ~~as this is~~ The first language ~~that~~ which I <sup>have</sup> starting to learn) which I have start to learn it was ~~an~~ English!
